TeamWorks
2024 Schedule and Updates

Tuesday, March 26, 2024 → Arrive by 9:00 am at the Greenville Convention Center. An orientation will occur and the competition will begin after that.

Wednesday, March 27, 2024 → Arrive by 8:30 am to get ready with start up at 9:00 am.

Testing Notes: All tests will be taken on-site at the convention center with a state proctor. All members of a team will test at the same time. Teams will be sent to a testing room in groups, all teams may not be testing at the same time. The order will be random. Testing will take place on Tuesday, March 26, 2024. All competitors need their own electronic device to test. This can be a laptop, Chromebook, tablet, or their cell phone. They must be able to get wifi access with that device.

Resumes: All resumes must be turned in by the deadlines listed online.

New This Year or Reminders:

- **Competitors should be prepared for all typical framing, plumbing, and electrical practices. Competitors should be prepared for copper, PEX, PVC, or a combination of the three for plumbing.**
- **Competitors are encouraged to bring their own tools for cutting, bending, and working with those plumbing materials.**
- **In preparation for how nationals operates, teams will not have time with their instructors and the plans before the competition begins on Tuesday, March 26, 2024.**
