

State Leadership & Skills Conference 2024

Wedding Cake Decorating

Supplies:

The following items will be supplied at the competition site:

- Communal Microwave (Farberware Countertop Microwave 1000 Watts, 1.1 cu ft)
- 2 Gas One New 10,000 BTU CSA Portable Butane Gas Stoves PER TEAM
- 2 Eight Ounce canisters of Jo Chef Butane Fuel

The following items **MUST** be supplied by the competitors in addition to ALL supplies listed in the Technical Standards supplied by the competitors:

- Mixer – teams should bring their own mixer based on the design they plan to produce. No mixer will be supplied for them.
- Any pots/pans, bowls, spatulas, etc. that are needed for use of the communal microwave and butane stoves. None of these will be supplied for them.

Time Limit:

Competitors will have 4 hours to complete their decorating, so they should plan on this accomplishment based on the supplies they are to bring, and which are provided above.
