

Former South Carolina State President earns the Marsha Daves Scholarship, only one in nation.

Congratulations to Sylvia Dobbe of the Center for Advanced Technical Studies for earning the SkillsUSA Marsha Daves Scholarship. This \$1,500 scholarship is awarded to a single SkillsUSA student annually. It is in memory of Marsha Daves, a beloved instructor, advisor, state director (Oklahoma), and eventual national staff member.

Sylvia Dobbe just finished her tenure as the South Carolina State President in March 2024 and graduated from Dutch Fork High School. She is now attending Lander University. Sylvia was also the recipient of the SkillsUSA NTHS Scholarship.

Congratulations to Sylvia on your great accomplishment and for representing South Carolina so well.
