If confirmed that the competitor used the device in a manner which compromised the integrity of the competition, the competitor's scores may be removed.

## **SCOPE OF THE COMPETITION**

The competition is defined by industry standards. The competition is divided into two parts: a written exam testing overall photographic knowledge and a skill performance.

### **KNOWLEDGE PERFORMANCE**

The competition will include a written knowledge exam that assesses the overall photographic knowledge through a series of multiple-choice questions.

### **SKILL PERFORMANCE**

The competition will include a series of hands-on performance activities assessing overall photographic mechanics and techniques.

### **COMPETITION GUIDELINES**

1. **Written Test:** The test has a series of multiple-choice questions that assess photographic knowledge. Topics covered include, but are not limited to, the following:

  - c. Lens choices given a photographic situation (sports, jewelry, studio portraits, etc.)
  - d. General terminology
  - e. Photoshop tools, workflow, processes, etc.
2. **Field Assignment:** The assignment evaluates the competitor's creative ability and adherence to competition guidelines. Competitors are brought to an undisclosed location to capture images based on a theme chosen by the technical committee. Competitors will then choose their best images and apply global edits and light editing before producing a contact sheet for judging. Scoring is based on:

  - c. Use of a hand-held light/flash meter
  - d. Interaction with the model and posing quality
5. **Commercial Studio:** Due to the varying nature of the subject, students’ commercial images will be evaluated on the final photograph. Judging is based on, but not limited to:
  - a. Product placement
  - b. Lighting of product
  - c. Clarity of product name

  - c. Aliasing
  - d. White balance
  - e. Halos
  - f. Posterization
  - g. JPEG artifacts
  - h. Parallax
8. **Print Competition:** Competitors must submit two prints produced before the competition in any category of their choice. Prints will be on public display and must *not* contain any questionable content, including but not limited to: drugs, sex, violence, illegal activity, etc. Prints must adhere to the following criteria:
  - a. Print size must be an 11"x14" or 10"x15"

    - 1). Competitor number (given at the competition)
    - 2). Cell phone number
  - d. Prints must be brought to the first orientation meeting of the competition. Prints received after the meeting will receive a penalty.
9. **Job Interview:** Competitors will be interviewed to assess their communication skills and overall job readiness.
