## Officer Process Overview

There are multiple steps and multiple evaluations during the process for choosing state officers. Here is a brief overview to give each candidate an idea of what the process may look like, although it may vary based on various factors.

### Scoring Rubric

- 30% House of Delegate Vote (membership vote)
- 30% Oral Interview
- 20% Written Test
- 10% Professional Demeanor / Observations
- 10% Application

### **House of Delegate Vote (30%)**

Each candidate will have three minutes in the House of Delegates to deliver their campaign speech. Delegates are member representatives from each chapter based on membership numbers within that chapter. A secret ballot vote will follow all speeches.

#### **Speech**

A copy of the candidate's speech must be submitted to the State Executive Director by March 15, 2024, at 11:59 pm or suffer a penalty in scoring and may or may not be allowed to provide speech at Delegate Vote. See page 3 for instructions on sending. The State Executive Director and/or State Officer Coordinator(s) will approve or disapprove campaign material based on appropriateness at his/her discretion. Once the speech is submitted, any major deviations from material should be provided and approved. Any major deviations not approved, but used during the House of Delegate session may result in penalty at the State Executive Director's and/or State Officer Coordinators' discretion.

**Oral Interview (30%)**

Each candidate will sit before a board of two to five interviewers. These individuals may consist of current state officer(s), the state executive director and/or state officer coordinator(s), representatives from the board, alumni and/or business/industry. An impartial adult may be in the room to supervise, but will have no input in the screening process. Advisor(s) of the candidate being interviewed may sit in the room at the candidate's discretion, but will have no input and will not be present for any discussion by the interview board. During interviews, each candidate will be asked the same three to five questions. Follow-up questions may be asked and may vary from candidate to candidate based on their previous answers. Questions are usually open ended or require some detail within their answer. Questions will cover the qualifications for becoming a State Officer. This includes topics listed in this application under the Requirements, Responsibilities, and Expectations, although, general professional related questions may also be asked.

**Written Test (20%)**

The written test is given at the State Leadership and Skills Conference on the same day as the candidate interview. The test will be administered and turned into the proctor, which will then be scored by the State Officer Coordinator(s). Questions will cover anything listed in the Requirements, Recommendations, and Expectations listed in this application. The SkillsUSA national website, state website, and the SkillsUSA Membership Handbook are good resources to get started. The format may consist of multiple choice, true/false, matching, and short answer. Test booklet, answer sheet, and writing utensils will be provided on site.

### **Professional Demeanor / Observations (10%)**

Candidates are being observed for their professional demeanor, attitude, and character from the moment they arrive through the beginning of the closing ceremonies. This is being done by current state officers, the state officer coordinator(s), board members, the state executive director, and other designated persons in order to gauge their social behavior, interactions between fellow candidates and students, interactions between candidates and their advisors, and more. Although the scoring portion of this stops at the closing ceremonies, the process continues for the entirety of their tenure in office. It helps determine positions, responsibilities, and more.

### **Written Application (10%)**

Candidates are scored based on their ability to prepare documents in a proper and professional manner, meet deadlines, follow written instruction, and meet deadlines. This is judged by the State Executive Director and/or State Officer Coordinator(s).

### **Order of Events**

- Applications will be checked for accuracy and completeness as they are received. Following the deadline, scoring and scheduling will begin.
- Written Application will be scored first, done shortly after the application deadline.
- Candidates are required to attend the 2024 State Leadership and Skills Conference.
- Candidates will take the Written Test, all at once.
- Candidates will then be placed in a holding area and will be called into the interview room one at a time. This will be done at random, by volunteer, or another format chosen by the interview board at the time.
- Immediately following the interview, candidates will take a practice run of their speech in front of the interview panel and receive feedback. The candidate must stand to give this speech. They may use a copy of their speech when speaking, although it is always recommended that they memorize it if able.

- Following all interviews, candidates will be given a briefing on what will occur next. They may be dismissed for the time or there may be some early responsibilities provided to help with the conference itself.
- During the conference, there will be a delegate session which will include the candidate speeches and voting process. Candidates will perform their speeches, on stage at a podium with microphone, in front of the voting delegates, during a designated session. The order of speeches will be determined by the interview board and will be provided in advance. Candidates may use a copy of their speech with them and it is recommended that they have one available if needed, although it is also recommended that it only be used if absolutely necessary. Memorization of the speech will appear more professional and powerful to the voting delegates. Delegates will vote following all speeches in a secret ballot.
- Following this vote, scores will be tallied and candidates will be notified of the results.
- Candidates chosen as state officers must be present at the closing ceremonies and will be sworn in as state officers for the 2024-2025 school year. Pictures will follow.

### Attire

Candidates must be in Class A (red blazer) attire for their Written Test, Oral Interview, House of Delegate Vote (speech), and Closing Ceremonies. Candidates should also bring a change of clothing for some additional pictures. The exact clothing for this will be provided after the application deadline, but will most likely consist of blue jeans and/or khakis pants.

## Campaigning

- No campaigning should take place prior to the State Conference.
- Officer candidates will have the opportunity to have campaign booths (tables) at the State Leadership and Skills Conference. Campaign material may include posters, displays and literature that you wish to share. A table and location will be provided, but all other materials are the responsibility of the candidate.
- No campaign material shall be attached to the walls or other property of the conference facility. Officer candidates should also follow any and all policies of the hotel they may be staying at or other locations they may visit. The officer candidate is responsible for any damage caused by their campaign.
- Time will be provided for delegates to “meet the candidates”. Business sessions are reserved for campaign speeches and election of officers. Voting delegates are to sit in a reserved section during these sessions. No campaign hand-out material is permitted during these sessions.
- All local chapters are expected to encourage and observe good taste in the promotion of their candidates so as not to disrupt any planned event of the conference, including competitions. Due to this being a high profile, annual event, it is mandatory that candidates, delegates, and those acting on behalf of candidates reflect the conduct expected.
- With respect for anti-litter concerns and cost to individuals and local chapters, campaign materials should be held to a minimum. Personal contact and the organization of a campaign develop leadership ability in a candidate to a greater degree than promotional giveaways. Food (including candy) and/or beverage are prohibited in the campaign area, and are not allowed as part of a campaign display. The State Executive Director or designee has the authority to restrict or limit certain amount of spending and giveaways.
- It is the responsibility of each officer candidate to see that all campaign material is picked up and removed one hour prior to the election session. No campaign material will be allowed in the election session. It is the responsibility of the state officer candidate to ensure that campaign areas are kept neat and that promotional items do not cause litter problems. If materials are found in disorder or on the floor, then the problem will be addressed with the candidate and their chapter advisor.
- There will be NO campaigning after curfew.
